

**'Tackling Business Crime Together' Consultation**

In my Police and Crime Plan, **Everybody's Business 2015-2020**, I recognised the devastating impact crime can have on businesses, and pledged to launch a Business Crime Strategy. To ensure this strategy meets the needs of Hertfordshire businesses and residents, I would very much appreciate your feedback and comments on the draft document, which will shape the final version and ensure we have a workable plan that tackles business crime.

You will find a link below to an online survey you can use to send me your feedback.
