

Decision by the Police and Crime Commissioner for Hertfordshire

Item: Responding to College of Policing guidance on Stop and Search

Date: 11 March 2021

Decision: The paper was approved at the above Decision-Making Meeting.

The proposal to review strengths and gaps in the current scrutiny of Stop and Search in response to latest guidance from the College of Policing was agreed.

Background: In July 2020 updated guidance was published by the College of Policing which identified principles for force scrutiny panels which can be applied to any independent scrutiny process introduced by forces and/or their PCCs or equivalents for stop and search.

There are many areas where the Hertfordshire Stop & Search Panel is already observing the guidance. However, there are areas for improvement.
